

Immunisation

At Newtown Road Day Nursery, we are informed by parents on their child's admission form if they are vaccinated in accordance with the government's health policy and their age.

Our nursery does not discriminate against children who have not received their immunisations and will not disclose individual details to other parents.

We record, or encourage parents to record, information about immunisations on children's registration documents and we update this information as and when necessary.

Emergency information

We keep emergency information for every child and update it every six months with regular reminders to parents in newsletters, at parents' evenings and a reminder notice on the Parent Information Board.
