Smile for life

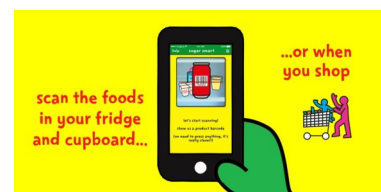

We recently had our annual review for Smile4Life and have been awarded our full award again. They were very impressed at what we do in nursery to promote healthy teeth to the children. You can help keep healthy at home by downloading the Change 4 life app on your smart phone to see how much sugar, salt and saturated fat is in your food.

Staff Updates

We welcome Helen back from maternity leave at the end of this month . Helen will be based in 2-4 room.

Emma Moscrop also starts with us this month as our nursery chef. Emma will spend 3 days at our sister nursery Crosby, and work with us Thursday and Friday.

Nursery Absence

If your child is not going to be attending nursery please let us know before their nursery session is due to start, just so we do not wait for them for to start nursery registration carpet time. Thank you.

Nursery extension

We are due to sign for the house next door very soon. We will keep you updated with our plans for the extension and the changes to the nursery.
