

Following on from the children's interests, we will be doing various activities to learn about Minibeasts.

Also during May, the children will be given the opportunity to join in and celebrate lots of different events. They include:

Local History Month - The children will be looking at old and new pictures of the local area and some children will be going on a visit to Tullie House.

National Smile Month - The children will be creating self portraits and taking part in various Smile4life activities.

Europe Day 9th May - The children will be making flags and trying foods from countries in Europe.

International Day of Families 15th May - The children will be creating family trees. Please can you bring in family photos for the children to look at during circle time.

Local events and home activities

We will be having a parents evening w/c 22nd May. Your child's key person will approach you about booking in a time slot over the next few weeks.

Pre School leavers

We are getting to the sad time of year when we start to think about the Graduation for the children starting school in September. The Graduation Ceremony will be held on Tuesday 13th July 2017. More information will follow nearer the time. Please let Rachel know your child's last day at nursery by mid June to ensure fees are calculated accordingly. Thank you.
