

Following on from the children's interests, we will be doing various activities to learn about Around the World.

Also during July, the children will be given the opportunity to join in and celebrate lots of different events. They include:

American Independence Day 4th July—The children will be making American flags and baking firework biscuits.

Teddy Bears Picnic Day 10th July— Children will be encouraged to bring in their favourite teddy bear so they can take part in the picnic.

National Ice Cream Day 17th July—The Children will be making their own ice-cream experimenting with new flavours.
