

December 2015

We would like to wish all our parents and wonderful children a very Merry Christmas and a Happy New Year for 2016.

Christmas Performances

The children have been practising their Christmas performances for the last few weeks and are very excited to perform for you. Please remember that the children are all very young and it can be very daunting. It's not unusual for the children to get upset when they see their families.

If this does happen we would ask that you come and sit with your child and join in the fun!

If you are planning to take your child home afterwards please allow time for us to change them back into their own clothes. Can you also ensure that a staff member knows they are leaving.

Thank you for your co-operation.

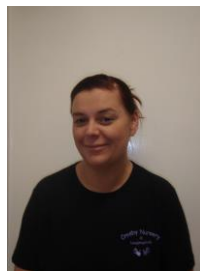

December Activities

During December there will be lots of Christmas activities.

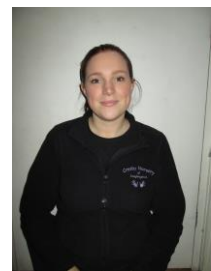

All the children will have the opportunity to take part in making Christmas cards, calendars and a surprise gift. They will also be rehearsing their wonderful Christmas performances.
