Pre-School Graduation

It's that sad time of year when we say goodbye to the children starting school in September. We will be celebrating their time with us with a graduation ceremony in July which the children are very excited about! We would like to say we have thoroughly loved caring for all the children and their families who are leaving. Please keep in touch.

Changes to Sessions

If you are planning to make any changes to your child's nursery sessions please remember it is four week's notice for a reduction in hours. Please give as much notice as possible for any increased hours. For children receiving their free entitlement in September, please inform us of changes before mid-July. Any fee amendments won't be made until September after this time.

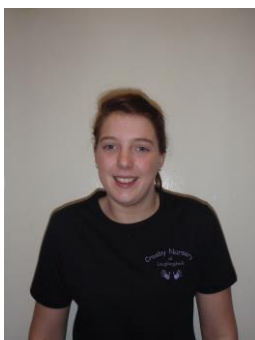

Keeping standards high

We are delighted to say that once again we have received the top rating of 5 stars following our annual food safety and hygiene inspection.
