## Welcome

This September we welcome our new children to Crosby Nursery

Things to know-

- We have a Crosby Nursery Facebook page that you can 'like' and keep updated with activities in nursery. Your child's key person will give you a permission form to complete regarding use of your child's photographs.
- If you would prefer to receive the monthly newsletter via e-mail, please e-mail us on [crosbynursery2005@gmail.com](mailto:crosbynursery2005@gmail.com) to add your e-mail to our contacts list.
- We create Family Photo Books for your child to look at and share with their friends at nursery. Could you please supply us with photos of people who are important to your child.
- We use an online observation system called Tapestry. We require your e-mail address to set up parent access to your child's account. You can view their observations and upload images and videos to contribute to your child's learning journey.

## Safety

Please ensure when leaving the building you supervise your children to keep them safe from harm as our carpark can be very busy at peak times.

## Visitors in Nursery

Would you like to come into nursery and talk to the children about your job role and how it helps others? Or do you have a talent that you could share with the children. If you are interested into nursery, please

## Happy Ever After
