### Change to nursery sessions

If you need to change your child's nursery sessions or increase for their pre-school hours over the summer please let Rachel know by end of June or no changes will be able to be made until September 2016. Thank you.

### Children's wall pockets

Could you please remember to check for and take away any art work in your child's wall pocket. Thank you.

### Progress meetings

Every child will get a written progress check when they are 2 years old as part of their 2 year check, by their key person. We no longer write progress check records for our children under the age of 2 now parents can have much more involvement due to Tapestry. However, if you would ever like to chat about your child's progress please speak to their key person to arrange a suitable time to do so. Thank you.
